

New Cingular Wireless PCS, LLC
Managed by AT&T Mobility Corporation
May 2010

Description of Decision

The decision will be to issue a 20-year special use permit to New Cingular Wireless PCS, LLC, which is managed by AT&T Mobility Corporation for the continued location, operation and maintenance of an existing telecommunications shelter on the Cadillac Manistee Ranger District. No new ground disturbing activities or disturbance outside the existing authorized area will occur.

The permit will allow for the continued location of a equipment shelter approximately 12' by 24' and occupying approximately 0.01 acre of National Forest System (NFS) lands. The permit area is located at the Harrietta Tower Site located in part of the SE $\frac{1}{4}$ NW $\frac{1}{4}$, Section 25, T22N, R12W, Slagle Plat, Wexford County, Michigan.

The decision will be implemented through issuance of a special use authorization that will meet the requirements of the decision and Forest Service regulations. Forest Service regulations require the applicant to: pay any necessary fees, post any necessary bonds; and secure any state or federal permits or authorizations required by law.

New Cingular Wireless PCS, LLC will be required to pay an annual special use fee since they do not qualify for a fee waiver in accordance with 36 CFR 251.57(b).
